Registered Organizations

(# of Registered Organization(s) - 1)  
This list includes organizations that are registered on GMS, regardless of their eligibility status. To know more about the eligibility of the organizations listed, please contact the HFU.

Acronym	Organization Name	Organization Type	Has Application Form	# of project(s)	# of user(s)
Àà, Ââ, Ææ	Àà, Ââ, Ææ Çç Èè, Èè, Èè, È	International NGO	Yes	1	1

The Organization Info page provides the list of Registered Organization, regardless of their eligibility status.

The view on this page will differ depending on your user role on GMS.

If you are registered as an Agency/Partner, you will only see the registered Organization you are linked to as an user.

If you registered as HFU or Clusters' Coordinators you will have access to the full list of registered Organizations in your Fund.

For all users, the system provides the following information on the Registered Organization as saved in the GMS:

- The Organization's Acronym,
- The Organization's Name,
- The Organization's Type,
- The Number of project(s) drafted and/or submitted,

- The Number of users that are linked to the Organization in the GMS.

You can click on the number of project(s) to access a pop-up window providing additional information on the project(s).

The screenshot shows the OCHA GMS interface for the Syria Cross border Humanitarian Fund. A pop-up window titled 'Linked Projects' is open, showing a table with the following data:

Project Code	Project Title	Allocation type
TUR-20/3559/KSA20/E/INGO/15711	Test99999	KT STD 2020

The main table in the background has columns for '# of project(s)' and '# of user(s)'. A red arrow points to the number '1' in the '# of project(s)' column, which is also circled in red.

Likewise, you can click on the number of users linked to access additional information on the users registered under your Organization's profile in the GMS.
